Yogi divine society is a registered Social, Educational and charitable trust founded in 1974 by His Holiness Hariprasadswamiji Maharaj.

It is evident that since last 50 years H.H. Swamiji strives hard for the upliftment of the various sections of the society by eliminating superstitions, knowledgelessness, wrongbeliefs, ill habits and many more evils prevailing in the society.

His inspirational Mantra is "Duty unto Death". His main focus of various socio-spiritual activities is the total upliftment & multidimensional progress of the young generation. He has taken unceasing & continuous efforts in which he has engaged his body, mind & heart with unflinching zeal, unceasing perseverance & enthusiasm to make the youths free from the clutches of the social evils like addiction, superstitions and other vices through His dynamic loving personality, selfless love, and divine touch (Atmiya Sparsh) and has inspired many of them to follow the real path of social harmony & patriotism and enabling them to trail the path of success in the life. He is the founder head of inspiration to the youth and educates the minds and hearts of the hundreds and thousands of the aspirant souls.

According to Him "Atmiyata" is the only remedy to the existing problems. By inculcating the divine virtue "Atmiyata" the Harmony of thoughts, deeds & behavior i.e. the unity of body, mind & soul into the masses!

Realizing the urgent need to spread His divine message of Atmiyata in the field of meaningful education, we are inspired to start the school named Atmiya Vidyalay at the campus of our social, cultural, and spiritual center- "Atmiyadham" located in Manjalpur area of Sanskar Nagari Vadodara, Gujarat, India.

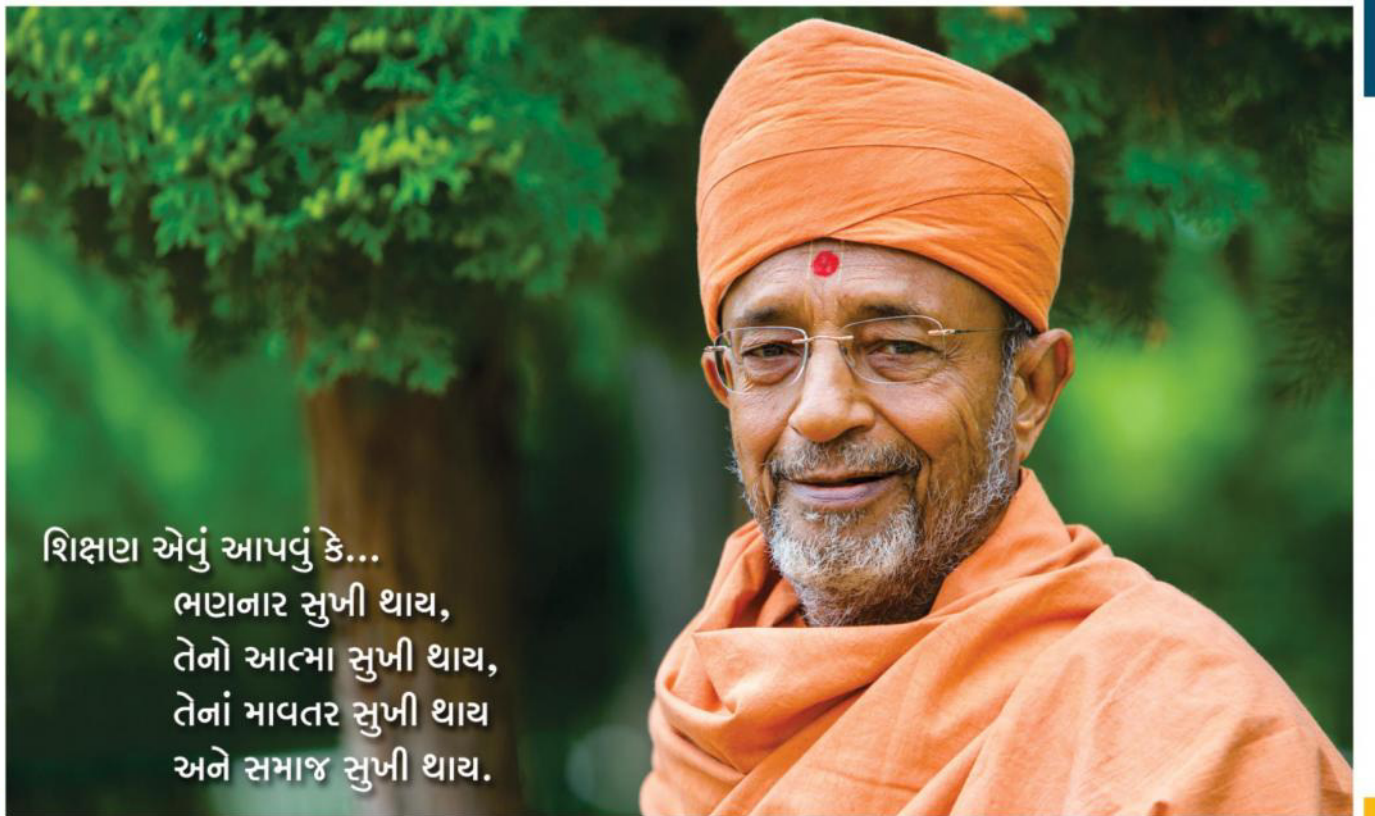

શિક્ષણની સાથો સાથ બાળકનું જ્ઞાનીચિત્ત-માનસિક અને  
બાદશાહીની વીજે વલન થાય-તેવું દેશને આભીય વિદ્યાલયમાં  
રાષ્ટ્રમાં બાલકો એટલે બાળક સમાજનું-માનવનું અને  
પુણ્યનું સાચું ભૂતકું અને તેવું સાચું શિક્ષણ પણ આપવામાં  
આવશે...તો સમાજ બાળકની સાચા સેવા હિલવાની ભૂત  
અમાને આપશે

તિ.સેવક સચ્ચુ પરિપુસ્કાદના એલદના જ્યેષ્ઠ સ્વામિનારાયણી.

Atmiya Vidyalyaya is committed to undertake not only the academic but also physical, mental and spiritual care of your child so that he can be a pride child for the parents, an honored citizen for the society and an endeared child of the Almighty. Please give us an opportunity to serve your child in a real sense of the term.

શિક્ષણ એવું આપવું કે...

ભણનાર સુખી થાય,  
તેનો આત્મા સુખી થાય,  
તેનાં માવતર સુખી થાય  
અને સમાજ સુખી થાય.

## SALIENT FEATURES OF THE "ATMIYA VIDYALAYA" SCHOOL

We aim at holistic development of children & youths by preparing them to face the challenges of real practical life so that they may truly taste the fruits of success in the various fields of their life.

The school is expected & designed to run all classes from Pre Primary level to Std. 12 in the well organized - planned phases. At present i.e. from this year-June 2017 we begin with Pre-primary level up to std. 8 classes.

### The Class Rooms

- ▶ The school has well ventilated spacious classrooms equipped with advanced technology to make teaching more authentic, effective and interesting.
- ▶ To provide personal attention and focus on guidance to the students, each class would have limited number of students to provide ideal seating arrangement. We shall provide projector in each classroom with smart board.

### The Activity

We aim at providing education by activity-based learning on the basis of personal confident experience. We take the learning out from usual classrooms for students to develop the interest in subject like Soc. Science, Maths and languages. we have well organized activity-rooms with projector and network facility to explore their knowledge, understanding and also to make them avail of social, cultural traditional & national as well as international scenario.

## The Spiritualism Preserving our Ethics, Culture & Tradition

### Math's-Sci. Labs

To make the students feel that so called boring subject of Maths in reality is a matter of fun and joy, we have special Math's laboratory to facilitate to understand the intrinsic mathematical concepts through simple & easy activities and projects.

To satisfy the subjectional curiosity of the children and making them understand in-depth science, we have special provision of separate science laboratories for primary, secondary and higher secondary classes.

**Multipurpose Auditorium :** To imbibe social, cultural, moral and spiritual values among the children...

- ▶ We have spacious multipurpose auditorium with high tech - audio visual arrangements with sonorous sound system and a quality stage for children... to exhibit , to act, to practice, to perform.
- ▶ To conduct various workshops, seminars, cultural programs.
- ▶ To arrange guest lectures to inspire, motivate and promote the sense of self confidence and learn various life skills.

### Music -Dance & Art-Craft Rooms :

We have good provision of art and craft-room to learn creativity. A music and dance-room for developing and nurturing interest and ability and also to exhibit their hidden talents along with entertainment and recreation.

Music is not only an entertainment but a means to feel the peace, bliss, serenity & natural divinity. For that we take the learning out of usual classrooms.

Besides the formal system-education, we intend to inspire children for various musical instruments and cultural activities to explore various cultures and traditions of our great nation-Bharatvarsh.

Knowledge providing Books are the friends of human beings

**Spacious Library :** In this present era of Mobile technology, we know that the habit of healthy reading is gradually vanishing. To feel that void, we have adequate inspirational books to satisfy the hunger of students to study positive thought-provoking books & literature. We have ideal facility with a specially marked reading zone; by which we intend to cultivate habit of healthy reading in the students. Even parents are welcome to take advantage of this facility for regular reading & studying the subjects of their interest!

**Play ground : "Healthy mind dwells in a healthy body"**

Along with curricular activities we do give equal emphases to extra curricular activities like various sports and games. We intend to motivate the students to play and practice so that they may compete for healthy & noble competitions. For this we would provide all supportive arrangements to promote sport-related activities at the campus. We have a large & ideally leveled playground for outdoor games as well as sufficient premises to enjoy indoor games.

**Healthcare & Moral Counseling :** We honestly believe that "Your child is our concern."

We are blessed to render the invaluable services to children and have special privilege to look after your children in the school and sincerely care for their physical, mental and spiritual health. As Day by day the number of nuclear families increase rapidly there is utmost need for counselors & mentors in the school.

A physician, a pediatrician and a trained counselor would be extending their regular services as the visiting faculties to address every child need, to successfully face the academic, social, emotional, family pressure, behavioral problems, discipline issues, and adolescence problems due to peer group pressure.

**Hostel at the school campus:** In order to help the needy students living at the outskirts of the city/district or coming from other cities, we would provide an ideal hostel - accommodation at our campus.
